Important Notes to Trainee

Safety Gear: Trainees undertaking workshop training are required to wear the **1) safety shoes** with non-slip soles and steel toe caps and **2) long trousers** to reduce the risk of being hit by falling object, contact with sharp object or exposure to chemical. Temporary personal protective gear will be issued to trainees as well.

Trainees are not required to do so for lessons of Engineering Drawing, Safety and Computer Training.

Name Tag: For ease of identification, trainees are required to wear a name tag while under training in IC.

Cleanliness: Smoking, eating and drinking are NOT allowed in all IC Teaching Areas.
